Supplemental Type Certificate

Number SR01169LA

This Certificate issued to

Aerometals 3920 Sandstone Drive El Dorado Hills, CA 95762

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part *6* of the Civil Air Regulations. *Certification basis is set forth in Type Certificate Data Sheet H3WE*

Original Product Typo Certificate Number: H3WE

Moule: McDonnell Douglas Helicopter Co.

Model: 369D, E, FF, HE, HS, HM and 500N

Description of Type Design Change: Installation of Aerometals High Speed Actuator Assemblies, P/N 369X27001 in accordance with FAA Approved Aerometals Master Drawing List (MDL) No. 35, Revision "D" dated March 20, 2001, or later FAA Approved Revisions.

Limitations and Conditions. The installation should not be incorporated in any aircraft unless it is determined that the interrelationship between this installation and any previously approved configuration will not introduce any adverse effect upon the airworthiness of the aircraft. The approval of this modification applies to the above noted aircraft model series only. A copy of this STC must be included in the permanent records of the modified aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
